## FOR IMMEDIATE RELEASE

### **Sedgwick County Advance Voting Starts Wednesday**

(Sedgwick County, Kansas) – Advance voting begins Wednesday and Sedgwick County wants to answer any questions citizens may have about the voting process.

Most people are not aware that **any registered voter** in Sedgwick County is eligible to vote in advance of the election. Advance voter applications are available through the Sedgwick County Election Office beginning 12 and ending February 24 at noon.

Applications are also available online at [www.sedgwickcounty.org](http://www.sedgwickcounty.org)

“It is great that the citizens of Sedgwick County have the option to Advance Vote,” said Commission Chairman Tim Norton. “It is everyone’s privilege and right to vote and this makes it easier for those who cannot vote on the day of the election.”
